Chin Na Fa Jinsheng Liu, Jiang Zhao, 2007-07-10 First published in 1936, this work represents primary source material of ancient combat techniques designed in a time of occupation and war, when the threat of lethal hand-to-hand combat was an ever-present reality for soldiers, those involved in law enforcement, and very often for the ordinary citizen. This is the seminal work in the field, written by the form’s founders, Liu Jinsheng and Zhao Jiang, as a training manual for the Police Academy of Zhejiang province. The intent of this translation is to provide authentic historical documentation for martial arts techniques that have been modified for use today in both competition and self-defense. Submission grappling is a technique in which fighters use locks, chokes, and breaking techniques to defeat their challengers in no-holds-barred matches. Chi Na
Fa remains the most comprehensive explanation available of these Chinese grappling techniques, from which derive many current techniques. Renowned author and Brazilian jiu jitsu champion Tim Cartmell presents the book in a clear, compelling new translation.

*Best Judo* Isao Inokuma, Nobuyuki Sato, 1986 This judo text is written in easy-to-follow language and illustrated with action photographs. It describes all basic and intermediate level techniques.

*Kodokan Judo* Jigoro Kano, 2013-08-30 Judo, or the Way of Gentleness, an ideal form of physical exercise and a reliable system of self-defense, was specially created from traditional Japanese martial arts. This book by the creator of Kodokan judo is uniquely comprehensive and the most authoritative guide to this martial art ever published. Over a hundred years ago Jigoro Kano mastered swordsmanship and hand-to-hand combat. Failing to discover any underlying principle, he set about designing a new martial art to reflect the concept of maximum efficiency in the use of physical and mental energy. Today, the concepts and techniques of judo taught at the Kodokan are the ones originally devised by their creator and collected together in this book. Covering everything from the fundamental techniques to prearranged formal exercises for both men and women, the book offers detailed explanations of how techniques are combined in two types of practice: randori (free practice) and kata (the practice of forms). In addition to a discussion of traditional methods of resuscitation, the book concludes with a useful appendix of information on the founder and the Kodokan International Judo Center, and a glossary of judo terminology. Fully illustrated throughout, Kodokan Judo will help students and instructors everywhere to discover the principles, techniques, and spirit of this popular martial art.

*Japanese Jiu-jitsu* Darrell Max Craig, 2015-02-17 With extensive, step-by-step photographs and instructions, this jiu-jitsu guide is an effective tool for mastering this ancient martial art. The original Japanese martial art developed by the elite samurai class during Japan's feudal era, Jiu-jitsu is the forerunner of Judo and the precursor of today's ultimate fighting styles, such as mixed martial arts (MMA). For centuries, this method of unarmed self-defense proved so successful in combat that it was kept secret and taught only to a select few. Based on the author's study with instructors at the Tokyo police academy, this martial arts book presents all the traditional techniques of Jujitsu, also known as Jiu-jitsu. These techniques teach you valuable restraining methods that force your opponent to submit without abuse by using pressure points. It shows you tips for search and seizure, and the almost extinct art of Hojojutsu—how to tie people up without using any knots. Japanese Jiu-jitsu: Secret Techniques of Self-Defense addresses and demonstrates the full range of Kaisho Goshin Budo Taiho Jitsu Ryu (Tokyo police self-defense). Learn specific techniques such as: The use of hands Throwing an opponent Attacking vital points with strikes and kicks The use of weapons (like the staff). This fascinating Jiujitsu book, designed as a training manual, also serves as a remarkable illustrated guide to the secret art of Japanese samurai self-defense.
